Delegate Notes: Here are a few points of interest that will make your time at the conference even more enjoyable.

- Marie loves to share the [‘The Vision’](#) and where the Conference was born as she believes you individually are all part of this movement for World Peace for Our Animals. Download available on link.
- This is quite a milestone for Marie who would love to involve you all in this special event and [Celebrating our 5th Conference Anniversary](#) .
- We have a wide range of Exhibitors Tables displaying new books, products, leaflets, services, courses and workshops for you to browse through, purchase and chat informally to the exhibitors. These stands also include some of the Speakers details and information such as business cards and promotional leaflets.
- NEW this year, Welcome Pack! This is a way for delegates to meet each other through promotional material, business cards, discount vouchers, information etc. and for people who can't be at the conference to touch base with you. This Welcome Pack will be issued to each delegate with their Lanyard badge on registration. And a special gift to you from Marie!
- *Wishing Heart Card Tag* for our Wishing Tree. You will find this Heart Tag in your Welcome Pack; it is a Heart Tag to place your thoughts and prayers for your loved animal companions who have passed. You will then have facility to place your Heart Tag on our Wishing Tree at the Conference. They will be with us. 
- Celebrating and honouring our animal companions we have a rotating Power Point Presentation of all our animal companions that have passed over. 
- It would be appreciated if delegates return promptly from breaks & lunches due to the packed program. Thankyou.
- Huge thankyou, appreciation and gratitude goes out to all our many volunteers who help throughout this event. 
- Unfortunately Dr Marvin J Firth, Guest Speaker has sent his sincere apologies as his own dog Golda has sustained a hock injury needing surgery on the conference weekend, our thoughts and best wishes go to him and Golda.

See you there!

Marie xx

House Rules for our Doggy Delegates

The Hallmark Hotel is pet friendly and has been very accommodating towards us, they have issued a few house rules below to make everyone's stay more enjoyable

- 🐾 Please ensure your Guardian has you on a lead at all times during the event for everyone's comfort as there may be other guests at other functions who are not as comfortable with dogs or have allergies.
- 🐾 Please ensure that your Guardian does not take you near food areas or food stations, no matter how tempting it is!
- 🐾 Please ensure your Guardian does not take you in the Restaurant.
- 🐾 An area in the Lounge Bar near the Fireplace area has been reserved for you on the Friday evening, Saturday night (if not at the Gala Dinner) and the Sunday evening.
- 🐾 Your Guardian and yourself have use of a beautiful room called The Wine cellar located nearly opposite the Restaurant entrance where you can eat your breakfasts
- 🐾 You are welcome in the conference room and the gala dinner!
